Albany, N.Y. ? As a go-to shop for embroidery in Albany, NY, it was only right for Awards by Walsh to design shirts for Ortiz Transport Inc. Thanks to a great business to business partnership, Ortiz Transport can now work in style and while providing excellent service.

Ortiz Transport Inc. is the premiere company specializing in transporting and delivering packages. You can find Ortiz Transport?s workers delivering freight and cargo to and from a multitude of business and residential locations. Throughout its time in business, though, Ortiz Transport was missing something very special: creative shirts designed by Awards by Walsh.

?They needed something that could really help them stand out in the sea of competition,? Steven Pesta said. ?I think we provided just that.?

Branding is everything when it comes to promoting an image. If a company is displaying an image that does not coincide with its objectives, it could potentially fail. Ensuring that not only a company?s products but also it looks are in order is a key to victory. Now, with its new shirts, Ortiz Transport is in a position to succeed.

?We want to thank Ortiz Transport Inc. for the opportunity to be a part of their branding,? Pesta said. ?We feel certain that these shirts will have a positive effect in the months coming.?
