San Diego, CA - A San Diego personal injury attorney recently explained why it is important to contact an attorney as soon as possible following a car accident. Mr. Geruntino explains that for many people, their first instinct is to contact their insurance company, but this can be a costly mistake. and he wanted to help address the problem in his latest blog.

The recent post delves into the ways a personal injury attorney in San Diego can be helpful in dealing with an insurance company. The blog further explains the right people in an insurance company to speak with and when to let the lawyer do the talking. Mr. Geruntino states that he has had clients come to him after already providing information that could be damaging to their case.

Brett Geruntino claims he regularly uses his blog to cover topics he feels are important to prospective clients and the public in general and hopes that by informing the public he will eventually have clients who are more aware of what they need and what to expect when they come to his office.
