There are a number of fitness products in this country that are consistently recommended by independent experts in the industry. One brand that has developed a large number of such products is Las Vegas, NV based Rip Toned Fitness. In view of the popularity of their products in this country, they have started to offer their items on the international market as well. They are have now announced that their popular Rip Toned knee sleeves are now also available in the United Kingdom.

Rip Toned Fitness' Mark Pasay says: "We want to make sure that everybody the world over will eventually be able to benefit from the Rip Toned Fitness brand. Targeting the UK market made sense, as many people there are very much concerned health and fitness. We're very happy to see that our knee sleeves are quickly heading towards best selling status there as well."

The company is known for its variety of fitness products, as well as accessories with motivational quotes. Furthermore, they are known for their commitment to customer service, which is demonstrated by the fact that they offer a lifetime warranty on all their products, which now also extends to the UK market. Not just that, but the company also regularly releases informational content as well as how-to video tutorials so that

people can get the greatest benefits from their products.

While the knee sleeves have only been available for a short while, they have already received numerous positive reviews, with people impressed with the customer service and mainly the effectiveness of the product. "First time I have used knee sleeves, I really like them. Very comfortable and great support...," says an Amazon customer.

The UK market has proven to be particularly receptive to the Rip Toned Fitness brand. Mark Pasay adds: "We had already released our wrist straps, lifting belt, compression elbow sleeves, lifting straps, dip belt, and wrist straps, and they have all been flying off the shelves."

All products so far have been released by Rip Toned Fitness on Amazon.co.uk have received a wealth of positive reviews. This is a true testament to the quality of the products and it is expected that the brand will soon achieve best selling status.
