There's a strong argument to be made that only a fellow Yogini understands, fully, how to best photograph another person practicing the art. Seeing the photos of active Yogini, certified Yoga instructor and professional photographer Ulrike Reinhold's work it would be hard to disagree. Reinhold's Bali based UR Photography specializes in Yoga Photography, offering mind and body bendingly beautiful photo shoots that not only capture her subject's at the perfect angle in their poses, but also celebrates who they are as unique individuals. UR Photography recently celebrated the number of remarkable reviews their Yoga Photography sessions have received and encourage other yoga-lovers to book their own Bali Yoga Photography adventure.

"From years of experience and working with hundreds of Yoginis, I understand the potential challenge of being in front of a lens," commented Reinhold. "Let's set an intention together and make this experience personal, intimate and beautiful."

Reinhold holds a college education in photography from Vienna and has been a licensed Yoga Instructor since 2007. Bali is well known not just for its tropical beauty, but also for its vibrant yoga community and

culture, something that the passionate photographer, yoga instructor and mother is proud to be a part of ? and encourages other Yoginis to experience at least once in their lifetimes, if not make a regular place to recharge.

Yoga Photography bookings are available directly on the UR Photography website, which also features samples of her work, her photography and a glimpse of Reinhold's infectious positive energy.

Reviews of the photo shoots continue to be passionate across the board. Jasmine Danino, Yoga Teacher and co-owner of Radiantly Alive Yoga Studio, recently said, ?I loved every moment of Ulrike's photo shoot. She made me feel super comfortable, created a great atmosphere and found amazing locations that ended up in incredible shots.?

Bookings in the energizing, magical paradise of Bali are open for clients practicing any yoga style and skill level, in a never to be forgotten experience.
