A lot of people would love to know how to make jerk chicken. GraceKennedy, a business in Kingston, Jamaica, has announced that it is providing a downloadable recipe book that contains a jerk chicken recipe. The recipe book is available for free for anyone who purchases the GraceKennedy jerk seasoning on Amazon.

Deidre, a representation from GraceKennedy said, "Jerk chicken is the traditional way of cooking chicken in Jamaica. It is something that is loved all over the world but few people manage to get it just right. Using our jerk chicken seasoning will help a lot, but checking the recipe in the free ebook will help even more."

The GraceKennedy seasoning is manufactured in Jamaica itself. It has an exotic and genuine taste and is a chosen brand for many Jamaicans in this country. Naturally, it can be used to season chicken, but it works equally well on pork, shrimp, fish, beef, and any other meat. Grace Kennedy has worked hard on developing the recipe book so people can learn how to really bring the flavors to life.

Those who have tried the seasoning have been very happy with the taste. "Love, love this stuff. We were introduced to this in St. Lucia on our honeymoon at a local restaurant. This is a potent seasoning, more like a wet rub. Fantastic on grilled or baked meats. I have even added this to a barbecue sauce or a grocery store jerk liquid marinade to give it a strong kick. Never found a flavor quite like this..." says an Amazon customer.

The best jerk chicken recipe is now available for free with every purchase, and Grace Kennedy looks forward to hearing from people who have tried it. She says: "I encourage everyone to follow the recipe in the book, be that for chicken or any other meat, and let us know what they thought about it. Remember, as well, that our jerk sauce is available in mild and hot seasoning, so you can make sure it fits your own taste buds."

The sauce is currently available on Amazon and the ebook can be downloaded after every purchase.
