

Temecula Nissan Announces Sales Event For 2018 Pathfinder

November 09, 2017

November 09, 2017 - PRESSADVANTAGE -

Temecula Nissan, a car dealership in Temecula, CA, has announced that they have signed up to the Temecula Nissan Military Program and that the new 2018 Nissan Pathfinder will be going on sale this week as part of the program. This program will allow military personnel to receive a significant discount on the vehicle, and the car dealer has published the rules for the Military Program on its website.

Johnny Siepker from Temecula Nissan says: "The military program is available for Active and Reserve US Military, US Military Veterans, and US Military Retirees. They can issue two claims per calendar year for personal use. VPP incentives vary by model and actual savings will vary based on model, trim and options selected. We encourage everyone to contact us to see how much they could save on the new Pathfinder."

The Nissan Pathfinder has long been one of the most popular vehicles sold by Temecula Nissan and it is expected that the new 2018 model will do equally well. It is not in stock yet, so people are encouraged to keep checking the company's sales page as the vehicle will be listed there as soon as it is available. Furthermore, the sales page lists all the vehicles that are currently in stock, which include a number of highly discounted options.

Temecula Nissan is one of the most popular Nissan dealerships in the area. This is made evident by the many positive reviews that they have received. Amanda Jade E., for instance, says on the company's Facebook page: "I really love this dealership and all the staff that work there are great. Friendly, and I always feel welcome and comfortable going in by myself for my oil changes and checkups. A special thank you to Frank Romero and Michael Retes for putting up with my boyfriend and I just recently and getting me into my new car. You guys went above and beyond and I really appreciate you. Will recomend all of my friends to come to Temecula Nissan. Thanks again."

The Facebook page at www.facebook.com/TemeculaNissan/posts/1012164782325983 also lists when the new Nissan Pathfinder will be made available and how to sign up for the military program.
