West Palm Beach, Fla. ? Express Employment Professionals, a leading staffing agency in West Palm Beach, FL, is looking to help its associates get back on their feet during the aftermath of Hurricane Irma.

As Irma swept through swept through South Florida, a majority of hard workers in the area were forced to resort to safe shelters. Unfortunately, many of these individuals were subject to losing their homes, cars, and even jobs. Due to these tragedies, Express has made a way to help alleviate some of the stress and tension caused by the storm.

The special Express program was designed to help out associates who were on payroll the week ending September 10. Whenever those associates in the impacted areas return to work for Express, they would earn a supplemental award for each day worked after the storm, until they have been completely reimbursed for the days missed.

Fortunately, the program is funded entirely by Express and is not billed at all to client companies. Thanks to Express focusing on supporting and supplementing the needs of its associates, the hard workers in South

Florida can have a viable employment agency in West Palm Beach, FL, to rely on.
