San Diego, California - FunGig is a new company that helps people find fun things to do in San Diego. As part of their launch they are providing people who visit fungig.com and sign up for their mailing list with a list of the Top 100 Things to Do in San Diego.

The list is divided into eight sections: Art and Music, Food and Beverage, Fun and Leisure, Kids Activities, Nightlife, Sightseeing and Tours, Sports and Outdoors, and Events. It is meant both as a way of encouraging people to get out and explore San Diego, as well as a way to provide ideas of good FunGigs to post. They are outdoor activities as well as indoor activities, and places to visit for a variety of reasons at different times of the day.

The top 100 activities were chosen because they offer in-person experiences that can be shared and are worthwhile. Something FunGig promotes and hopes Funbassadors can share as their own FunGigs.

FunGig believes that life is for living, not passively sitting around staring at a screen. Visit their site to enter the contest and sign up as a Funseeker to find great things to do in San Diego or as a Funbassador to share

a skill while earning some extra spending money.
