

NYC Fire Sprinkler Contractors Announce Launch Of New Website

October 24, 2017

October 24, 2017 - PRESSADVANTAGE -

Empire Sprinkler Fire System Sprinklers NYC, a company based in Staten Island, NY, is proud to announce the launch of their new website. Through this website, customers in New York City, the Bronx, Queens, Staten Island, and Brooklyn can book their services for installation, maintenance, or repair. The new website also includes full information on the services that the company offers. Additionally, the company has released new information highlighting how sprinkler systems work and this is available at <http://www.firesprinklerinitiative.org/advocacy-tools/fact-sheets/how-sprinklers-work.aspx>.

Gary Lombardo from Empire Sprinkler Fire System Sprinklers NYC says: "We felt it was time to have a more relevant, responsive, and modern website. We feel that the new site fully meets what we hoped it would, and we're very enthusiastic about it. We are happy to see that our customers already love it as well."

Empire Sprinkler Fire System Sprinklers NYC designs, installs, maintains, inspects, and upgrades or renovates existing fire sprinkler systems. The company is fully licensed, insured, and bonded, always placing the customer at the heart of its operations. While the website is new, the company is not, having been in business for over 20 years. The company specializes in making sure the sprinkler system is up to code, and

that any violations are fixed.

As part of the launching of the new website, the company has also engaged in a social media marketing campaign. Through their Facebook page at <https://www.facebook.com/Empire-Fire-Sprinklers-NYC-353531991735873/>, they aim to have more direct communication with clients, sharing important industry news with them as well. Furthermore, it will give customers the opportunity to leave reviews about their experiences.

The new website already includes some testimonials from past customers. Tambi K., for instance, says: "We highly recommend Empire Fire Sprinkler NYC. We couldn't be more pleased with the service provided by Gary for our business in Brooklyn. He was punctual and extremely professional. He is trustworthy, dependable and has great integrity."

The company is also fully signed up to the Fire Safety Initiative, aiming to ensure that everyone in their service area is safe. People are encouraged to sign up to the company's newsletter to be kept up to date with new safety developments relating to sprinklers.
