Kingston, Jamaica company GraceKennedy, is proud to announce that Grace coconut milk powder has reached a new milestone. Specifically, they have received more than 80 reviews on the online shopping portal, Amazon.

The review system on Amazon is very popular and is seen as helpful for other visitors on Amazon to help them make a buying decision. The review system is based on a 5 star rating where verified buyers can rank their purchase based on a 1-5 star rating then leave a detailed review on their experience with the particular product.

"We are very happy to have such great customers that are taking the time to leave us their thoughts, feedback and experience with our dry coconut milk powder. We love to read the reviews and see how people are using our product in their everyday lives. We are also very happy to see that majority of our reviews are all positive, that says a lot about our product," says Deidre, a representative from GraceKennedy.

One recent review stated, "Excellent product. Use it in Thai and Indian Curries and to make super Coconut Rice. Also good for soups and soup noodle dishes." Another reviewer shares how they use the coconut milk powder in their coffee, "Dry coconut milk powder is delicious as a substitute for nonfat dry milk in coffee -- doesn't have to be made into a liquid -- can be put into coffee in original powder form." Based on the reviews, customers of Grace coconut milk powder are happy with the versatility and the taste of the powder for their various needs.

The dry coconut milk powder is sold on Amazon in packs of 3, 6 and 12. Currently, the Grace coconut milk powder has a 4.7 ranking on Amazon out of 5-star rating system.
