

Grace Coconut Milk Powder Now Available In Packs Of Three

November 03, 2017

November 03, 2017 - PRESSADVANTAGE -

Kingston, Jamaica based company GraceKennedy has announced that they now offer their popular coconut powder milk is now available in packs of three. This ensures that people can always have enough powder at home to cook their favorite recipes. It also comes with a free recipe e-book that is sent with every purchase.

"Our powdered coconut milk powder is designed to help you create authentic Jamaican recipes," says a representative from GraceKennedy. "It can also be used in other recipes, including curry dishes, soups, baked goods and more. In fact, it can even be used to create smoothies. It can be used in many different dishes. We guarantee its quality and know that you are going to love it."

The coconut powder milk is made from dried coconut meat. To turn it back into milk, three quarters of a cup of warm water has to be added to half a cup of coconut milk.

The representative adds: "Our coconut milk powder is incredibly versatile. You can use it, for instance, as substitute for coffee milk and creamers. Plus, since you don't have to refrigerate it, you can take it with you wherever you go. You can take it with you while traveling, backpacking, camping, or anything else."

People have been particularly happy with the bonus recipe e-book that is included with each purchase. This book is sent via email with each purchase and contains a wealth of tasty recipes. These include smoothies, brownies, soups, shrimp in Thai coconut sauce, and curry rice, to name but a few.

"We have made sure that our coconut milk powder is very convenient and easy to use," explains the representative from GraceKennedy. "All you need to do is add some warm water to the powder, and you will have delicious coconut milk to use. We have only used the highest quality coconuts to create our powder and guarantee that it is free from preservatives as well."

The Grace coconut milk powder is currently available on Amazon, where it has received many positive reviews.
