Pensacola, Fla. ? In light of the recent natural disasters that have disrupted the balance of America?s workforce, Express Employment Professionals, a leading staffing agency in Pensacola, FL, is on a mission to get people back to work.

Upending hurricanes, devastating forest fires, and brutal tropical storms have plagued the surface of America for what seems like months on end now. Many workers have been forced to evacuate from their cities, leaving behind homes, possessions, and good jobs. The Express team in Pensacola is set on ensuring that the individuals affected by poor weather conditions have a way to get back to work and fast.

As a top provider of employment in Pensacola, FL, that works diligently each year to put a million people to work, it saddens Express when unfortunate events like this occur. Fortunately, thanks to assistance and direction from the corporate location in Oklahoma City, each Express office has a means to provide its associates with opportunities to get back to what really matters, which is providing a comfortable and happy lifestyle for themselves and their families.

?A healthy mix of understanding, motivation, and teamwork are needed in times like these,? Charles Bockwith said. ?We are more than confident that with these three elements in place, things will change soon and for the better.?
