

West Palm Beach Staffing Agency Provides Relief to Associates affected by Hurricane

October 31, 2017

October 31, 2017 -
West Palm Beach, Fla. ? Express Employment Professionals, a staffing agency in West Palm Beach, FL, has recently taken the initiative to get its associates back to work following Hurricane Irma.

The first priority was to help the local associates and their families. This includes associates working at all 30+ Express offices in Florida and all Texas locations that were affected by the Hurricanes.

Express has leveraged the power of the International Organization to help those associates who were working before the storms, missed pay due to the storm, and resumed work after the storm when work was again available.

With assistance from the employment agency in West Palm Beach, FL, more than 35 associates and their families in West Palm Beach received one day's supplemental pay from Express for each two days worked after the storm. This will continue until supplemental pay has completely replaced all pay missed due to storm closings. Multiply that by the 30+ other Express offices in Florida, and all Texas offices, and you can see that the teams are reaching a large number of people where they can help them the most.

This program shows the unique culture and power of Express, where more than 780 local businesses, each with an international affiliation, can leverage resources to positively impact associates and local communities.

The West Palm Beach Express office is located at 2540 Metrocentre Blvd #3, West Palm Beach, FL 33407 and serves the West Palm Beach area. Local business and applicants are encouraged to stop by, visit www.expresspros.com/WPalmBeachFL, or call (561) 471-8285.
