November 03, 2017 - PRESSADVANTAGE -

Centennial-based company brings in new powerhouse CEO to increase the expansion throttle and bring life changing treatment to patients. ReNew today announced a new Chief Executive Officer is taking over the helm of this fast growing start-up. George Metanias has more than 30 years of success in various senior leadership positions ranging from Chief Operating Officer to Chief Executive Officer. For 15 years, he was involved in many successful startups and turnarounds.

ReNew is founded by Dr. Don Miloni who also created ClearChoice Dental Implant Centers which has grown to \$350 million in annual revenue. Dr. Miloni and the clinical team at ReNew, have pioneered a technologically advanced approach to full mouth restorations that gives patients an implant supported removal anchored denture at one-quarter the price of other dental implant options.

Dr. Miloni is excited about Metanias joining the team. "George brings so much knowledge and expertise to our company. He knows how to build winning teams and how to take ReNew to the next level."

Metanias hit the ground running. He and his leadership team are preparing to open two metro Denver Centers in Arvada and Aurora by year's end. Metanias is committed to several new Centers west of the Mississippi in 2018.

Metanias received his undergraduate degree from DePaul University in Chicago, Illinois and his Juris Doctorate from the University of Miami School of Law in Coral Gables, Florida. He's an avid mountain biker and skier. He has two sons, and a daughter and currently lives with his wife and children in Denver, Colorado.
