

Panama City Damage Restoration Company Releases Fire Safety Tips in Light of Fire Prevention Week

November 02, 2017

November 02, 2017 -
Panama City, Fla. ? Disaster Response Team, a restoration company in Panama City, FL, has recently released pertinent fire safety tips in light of Fire Prevention Week.

Fire Prevention Week, which occurs every year on the week of of November 9, is an important time of year for those dealing with home maintenance, restoration, etc. House fires for years have been one of the leading causes of damage to homes, usually resulting in impossible to repair situations.

?Our safety tips for fires are drawn from industry leaders who know a thing or two about fire prevention,? Mark said, who is the owner of Disaster Response Team. ?We work within homes every day so we know how valuable this knowledge is for our customers.?

Fire Prevention Week was the perfect opportunity for the team that provides emergency response in Panama City, FL, to take the initiative and provide its customers with day-to-day tips on preventing fires within a household. From installing smoke alarms in every room in one?s home to testing those alarms every month and developing a fire escape plan, the tips revealed by Disaster Response Team are relevant and necessary

in today?s evolving economy.

?It?s sad to see when families lose their homes to fire damage,? Tiffany said, who is the manager of Disaster Response Team. ?Heeding these tips and having a plan in place to combat issues like house fires is a tried and true method for success in 2017.?
