Pensacola, Fla. ? Doodlebuggers Service Network, a provider of cleaning services in Pensacola, FL, is proud to announce the addition of Malcolm Aldridge, of Pensacola, FL, who is now a National Fireplace Institute® (NFI) Gas Certified Specialist as a result of passing the rigorous NFI examination.

NFI is a nationally administered certification program that focuses on the knowledge vital in protecting public safety by properly installing and servicing fireplace products. NFI is the only credentialed program in the nation that focuses entirely on safety and performance of fireplace products.

?NFI Certifications are valid for 3 years. New products and technology are constantly being introduced. Regardless of how long a person has been in the industry, it is important to keep up with the latest changes. Keeping current is critical for every person in the industry,? says Hearth, Patio & Barbeque Education Foundation.

NFI?s credential offers building and code officials, as well as the public, a way to identify those who have

completed training and passed a comprehensive exam based on state-of-the-art technical material. The NFI Certified Gas Specialist has shown a professional commitment to proper planning, installing, and servicing of all gas fireplaces and stoves as well as their venting systems.
