November 03, 2017 - PRESSADVANTAGE -

Pensacola, FL ? Martelli Enterprises, a leading quilt shop in Pensacola, FL, is out on a mission to spread the word about a cause worth mentioning. The Martelli team is currently spreading the word about a quilt drive created for fire victims in Sonoma and Napa counties.

Wildfires have spread furiously throughout California, with heavy impact in Sonoma County and Napa County. Recently, a new initiative, dubbed ?Happiness Is a Warm Quilt?, was developed to help the victims who have lost their homes and only have the clothes they are wearing.

?We believe that this is a wonderful idea and a gracious act by the people who developed it,? Marsha said, who is the owner of Martelli Enterprises.

The creators of ?Happiness Is a Warm Quilt? are currently seeking donations of bed-sized quilts and children?s pillowcases, with the hopes to warm the future homes of the fire victims with a bed quilt made of love. The supplier of sewing machines in Pensacola, FL, is proud to be a part of this movement and hopes to see it gain ample traction in the coming weeks.

?This initiative is a great opportunity to go above and beyond and help those who currently don?t have the means to help themselves,? Marsha said.
