Great Choice Chiropractic, a clinic in Chandler, AZ, has recently been named top choice clinic for children and teens. This comes after Dr. Hauser, the main chiropractor at the clinic, became one of the few in Arizona to have completed advanced pediatric chiropractic training and to obtain pediatric chiropractic certification. Full details are available on the clinic's website.

Dr. Hauser himself says: "I am one of the few in Arizona who are certified as an Advanced Proficiency Rated Activator Chiropractor and now also as a pediatric chiropractor. We use groundbreaking therapeutic techniques, as well as physical and massage therapy, to help relieve pain resulting from accidents, injury and chronic conditions in patients of all ages."

As shown on the clinic's website, www.greatchoicechiro.com/, Dr. Hauser has specialized in a number of different chiropractic techniques. These include treatment for back, neck, and headache pain, as well as overall wellness care. He also offers a number of specialized chiropractic treatment. Dr. Hauser adds: "Virtually all chiropractors in Chandler, AZ specialize in treating headaches and back pain. I perform three additional specialty treatments while implementing my patented gentle approach. If you suffer from disc pain,

carpal tunnel, or sciatica, please contact the clinic today."

Those who have used the services offered by Great Choice Chiropractic have been incredibly happy with their results. Ashley L., for instance, says on Google: "Highly recommend this establishment. I took my 5 week old to see Dr Hauser (they even got us scheduled in the same day as I called as a new patient) and immediately after his first adjustment on my daughter, we all saw the difference. It was truly like magic. He explained in depth all of the adjustments he was making on her and explained why it was so important and beneficial to her. He was so nice and made us feel extremely comfortable from the moment we met him. The entire staff was helpful and very accommodating. Absolutely our new chiropractor, for the entire family."

Other patients are massage therapists and physicians themselves and they, too, have nothing but good things to say about Dr. Hauser and his techniques. Those who need more information can visit <http://greatchoicechiro.com/>.
