

Harmony Reserve Announces The Opening Of Their Phase III Homesites

November 07, 2017

November 07, 2017 -
Vero Beach, FL: Harmony Reserve is Vero Beach?s premier active adult 55+ community built in the tradition of ?Old Florida? style. The homes all have lush landscaping, front porches and covered lanais.

?This community will have everything? says Karen Mathers with Keller Williams Realty and 55PLACES.com. ?There are two builders offering floor plans ranging from 1600 SQ FT to 2700 SQ FT. The homes include impact windows, lush landscaping on both water and preserve lots,? says Mathers.

?An onsite lifestyle director ensures lots of exciting activities for the homeowners? says Mathers. ?The 13,000 SQ FT. clubhouse at Harmony Reserve offers a state of the art gym, movement studio, teaching kitchen, a card room, 8 Pickleball courts and a spectacular heated pool and spa.? ?Think of Harmony Reserve as resort living right outside your front door,? she says.

?Golf Carts are welcome,?, says Mathers. ?They make it fun and easy to visit your neighbors and go to the

clubhouse to take a cooking class or relax at the pool.?

?Today the 55 and over buyer is looking to move to a place where they can meet people, stay active and have fun . . . I call it summer camp for active adults.?

Harmony Reserve will be built on 122 Acres in 5 phases with 399 single family homes and 99 villas.

Karen Mathers is an agent that specializes in the Vero Beach 55+ real estate market. With 20 years as a local real estate agent she is ?the expert? in the 55 and over market. She and her team of three 55+ specialists sell homes in communities such as Harmony Reserve, Woodfield, The Isles at Waterway and the Lakes at Waterway Village.

For more information about Harmony Reserve or any other community for the 55 and over buyer, please contact Karen Mathers, 772-532-3221 or visit VeroBeachHomeFinders.com.

About Karen Mathers:

For over 20 years Karen Mathers has been working with buyers to find their dream homes and helping sellers to effectively market their homes using the latest technology.
