Fort Lauderdale, FL: Ashley Bridget, the premier accessories company, has just launched a new line of bangle bracelets that is the perfect gift for all women this holiday season. It is currently available for sale at their Amazon storefront.

Says Scott Hutchison, spokesperson at Ashley Bridget, "At Ashley Bridget we are proud to be releasing accessories that women can identify with. Our latest collection, a line of angel bracelets where each comes with a beautiful message, is our gift to our beloved customers who could use some words of faith and wisdom in their lives."

The four bracelets come with distinctive charms which include ones based on Faith, Divine, Guardian, and Heavenly and also come with 2 wing charms, 1 divinity charm, and 1 crystal halo charm. These holiday charm bracelets come wrapped in beautiful packaging along with Ashley Bridget's Certificate for Authenticity, making it an ideal gift for loved ones. With a diameter of 2.75 inches, this bracelet can fit around most women's wrists thus making it suitable for most women.

With a mission to create and sell beautiful jewelry that touches the soul, Ashley Bridget is looking to cement itself as a company that goes beyond aesthetics and creates something that inspires the wearer. It has already launched a number of products apart from charm bracelets, such as its collection of hair tie bracelets that help the wearer conceal their hair ties in an elegant and sophisticated manner.

The faith bracelets are already proving to be a huge hit with buyers, with one happy customer stating, "I bought this as a gift for my stepmother and it was gorgeous." All the bracelets come in different colors - ranging from rose gold, silver and gold and transition very well from day to night. The perfect addition to a modern day woman's jewelry collection, this product can be found on Amazon or on Ashley Bridget's official website.
