

Signature Insurance Offers New Auto Insurance Packages

Signature Insurance, a team of Michigan independent insurance agents based in Warren, are proud to announce that they now also offer auto insurance. In the past, their main area of focus was on homeowner's and commercial insurance, but they have always aimed to expand on their offerings. Auto insurance has now been added and it is expected that they will soon add other forms of insurance as well.

Zaid Zayto from Signature Insurance says: "Finding auto insurance to protect all of your cars and family members should be affordable and not bust your budget. Over the years Michigan rates have increased, just this year the Detroit Free Press reported that auto insurance premiums would go up. Let a Signature Insurance agent review your plan and make sure you are getting the best coverage along with the best rate."

The insurance agency prides itself on being independent. In so doing, they feel that they can always find the best and most appropriate policies for their customers. Because they are not affiliated with one particular insurance company or insurance group, they do not have to push customers towards a particular decision. Rather, they ensure that whatever policy the customer ends up with is appropriate for the specific need, situation, and budget.

This approach, as shown on the company's Facebook page at <https://www.facebook.com/signatureinsurancemiagency/>, has built them a solid reputation. Luong Q., for instance, says: "I worked with Fadi for our house and car insurance. He is so helpful to get a best price for us, which is much cheaper than our previous insurance. He is very quick to give us quotes and revised the fee whenever he saw a better price for us. He works very late so I can get his response quickly even though I sent email at 8-9 pm. Thanks Fadi for your great support."

Signature Insurance aims to always find the best policies for clients, regardless of the type of insurance needed. It is likely that, in the future, they will also add other forms of insurance, so clients who have a need for that are encouraged to contact them as soon as possible.
