November 27, 2017 - PRESSADVANTAGE -

AMIKids Inc. and Canteen Southeast Division, a division of Canteen, announced a fundraising campaign to support programming for at-risk children in North Carolina, South Carolina and Florida.

Canteen Southeast Division will earmark 800 Avenue C markets, and place stickers on those markets, highlighting the campaign. Canteen Southeast Division will donate 75 cents to AMIKids Inc when customers purchase pre-selected food items from the identified markets.

"We are thrilled that Canteen has chosen AMIKids for this campaign. The majority of the kids we serve come from impoverished backgrounds, and we do all that we can to support their mind, body and spirit to help them find a brighter future," says O.B. Stander, CEO, AMIKids Inc. "The funds raised during this campaign will go a long way in helping support our kids and their growth as individuals."

"We believe we have a social responsibility to support our communities," said Canteen Regional Director, Sandy Goodson. "AMIKids does an incredible job influencing future generations to ensure they are on the right track. This partnership as well as the donation to AMIKids will make a meaningful impact to all those

involved, especially children's education, hunger and health.?

Canteen is proud to partner with AMIkids to help at-risk youth achieve a brighter tomorrow and build better communities,? said Division President, Steve Luccia. ?It is heartwarming to read the success stories of troubled kids who have received support from AMIkids and gone on to become great adults.?
