Oxnard, Calif. ? Aswell Trophy, a top supplier of awards in Oxnard, CA, has just recently hosted a class of Sierra High School students on a tour through its facility. The graphic arts class was excited about the opportunity and left with a little something special to help remember the day.

Trevor Ashton, owner of Aswell Trophy remarked, ?I always like to pride ourselves on being a one-stop shop for all of your recognition needs. The students had a great time here and we appreciate their interest in our industry.?

The class of students from Sierra High School was determined to have shirts printed out with logos they designed in their classrooms. Luckily, Aswell Trophy was the shop they decided to do it at, getting the opportunity to enjoy a tour of the facility as well.

To be able to showcase the fun side of the awards industry was a pleasurable opportunity for the provider of embroidery in Oxnard, CA. In the future, the Aswell Trophy team hopes to have the chance to host even more young and aspiring design specialists that are looking to jump into the industry.

?The shirts they designed were amazing,? Trevor said. ?We?re glad that they were able to print them out here. They?ll be great shirts to wear for years to come.?
