## **Foundation Repair Company In Grand Prairie TX Receives New Five Star Review And Video**

*December 18, 2017*

December 18, 2017 - PRESSADVANTAGE -

Texas Foundation Pros in Grand Prairie, Texas, has recently received a new five star review and video. The company recently announced that they have received the review and showcased the video on YouTube. The review, which was published on December 13, 2017, came from a satisfied foundation repair customer. More information can be found at the company website at <http://gp.texasfoundationpros.com>.

The positive review was provided by Jade O'Connor, a satisfied Grand Prairie foundation repair customer. O'Connor says, "Good company for foundation repair. They provided a detailed inspection of the foundation, confirmed the readings and walked me through the proposed work with a very knowledgeable explanation." O'Connor recently contacted the company for repairs to her home's foundation after noticing an issue that required professional attention.

More reviews from customers of the foundation repair company can be seen on their Google Maps page at <https://goo.gl/maps/ri9tJgtPdyS2>. Texas Foundation Pros is currently listed as a reputable and highly satisfying company due to the number of positive reviews that they have received over the years. The company offers a number of foundation repair services to those in the Grand Prairie, Texas and surrounding

areas.

Texas Foundation Pros is a family owned and operated company that offers free estimates to area customers on foundation repair. Their specific services can be seen on their website and include slab foundation repair, mud jacking repair and others. With more than 28 years of experience, the company states that they can handle virtually any foundation repair problem and urges those in need of their services to contact them to schedule a free consultation.

Texas Foundation Pros presents a number of testimonials from satisfied customers on their website, as well. Those interested in seeing their latest five star review video can watch it on YouTube at <https://www.youtube.com/watch?v=33dfWz0dt8>. The company states that they are always happy to hear from their customers and thank those who take the time to leave reviews for them.
