Plano Texas Slab Foundation Repair Contractor Praised In Review Video

December 18, 2017

December 18, 2017 -
Plano Texas Foundation Pros has announced a recently received five star review and video from a satisfied customer. The company published the new review video on YouTube on December 13, 2017. The review was provided by a customer who wanted to praise the company for their professional slab foundation repair services in the Plano, Texas area.

The video can be seen on YouTube at https://www.youtube.com/watch?v=70LxQfREyYg, and is from Jerry Lawrence, a satisfied slab foundation repair customer in Plano. In the review, Lawrence says, "I was very impressed with the recent foundation repair work that these guys did for my rental property in Plano. I will call again if another house needs it."

The Plano Texas foundation repair company says that they are always happy to receive reviews from their satisfied customers. They state that those interested in reading other five star reviews can do so on their Google Maps page at https://goo.gl/maps/teFQvb8nf2C2.

Plano Texas Foundation Pros offers a range of foundation repair services including those for slab

foundations, as well as pier and beam repair and mud jacking repairs. The family owned and operated company has been in operation for more than 28 years and offers a free estimate to customers in their service areas. In addition to emergency foundation repair, they also provide same day repairs as well as a number of warranty options and practical payment plans.

Plano Texas Foundation Pros offers services in and around the Plano area as well as a number of other Texas locations. Those interested in seeing a complete list of their service areas or of the services that they provide can visit them online at http://plano.texasfoundationpros.com/repair. The company states that they showcase reviews from their customers to let other customers know about their trustworthy and professional services. They currently have a five star rating for their service base and are considered one of the best in the area for slab foundation repair. Their YouTube channel has their most recent review, as well as reviews from other past customers for various services provided.
