

Scottsdale Golf Club Announces an \$8.5 Million Dollar Expansion

December 18, 2017

December 18, 2017 - PRESSADVANTAGE -

SCOTTSDALE, Ariz ? Known as North Scottsdale?s, premier family Golf and Country Club, Scottsdale Golf Club, The Country Club at DC Ranch has approved an \$8.5 million-dollar updated facility and expansion. The expansion will include a new fitness center, group exercise rooms, golf fitness facility, a new resort style pool, a casual indoor dining room, poolside bar, new tween room, expanded kid?s playroom, expanded ladies lounge, a larger Clubhouse kitchen, and an enhanced golf practice area. The Country Club Scottsdale, is a year-round, social, family friendly Club focusing on all aspects of the Club lifestyle. Social Activities play an integral role at the Scottsdale Golf Club, Country Club at DC Ranch which is renowned for its friendly and active membership base.

The Scottsdale Golf Club, has set the bar for the highest quality lifestyle experience in Valley, and this new expansion will help make the member experience the best in its class. Scottsdale Golf Club goal is to be a one stop shop for all the members, a place where they can do everything.

The Expansion will be broken down into 5 components at the Country Club Scottsdale:

Health and Wellness - A 12,000 square foot new facility will be built including a fitness facility, group exercise rooms, locker rooms, and 2 children's Kids Clubs.

Casual Living - A new indoor casual dining room will allow for members to enjoy informal meals while relaxing next to the Club's remodeled resort style pool with beach entry and poolside bar.

Golf - The Club will add a Teaching Center to the Country Club Scottsdale, an enhanced short game area, and an expanded practice area. Main Clubhouse updates: Within the Main Country Club Scottsdale Clubhouse there will be a new private dining room, and an expanded Ladies' locker room.

Expanded Kitchen - Creating more room for the Club's talented chefs, 600 square feet will be added to the kitchen to provide more space for banquets, an additional line, and a pastry shop.

The Club has partnered with the award-winning Team at Phoenix Architecture who completed the Club's first Expansion. Studio V, known as a leader in innovative hospitality projects, has been chosen as the Interior Designer. Greey Pickett will oversee the Landscape Architecture and Wespac will oversee Construction.

Scottsdale Golf Club, The Country Club at DC Ranch has a very modern approach to what a Country Club is. The members are vested in the Club and passionate about helping shape its future. President Ron Kruse noted that the DC Ranch leadership team views the enhancements essential in maintaining and growing member satisfaction, while attracting their next generation of members. General Manager/COO Kyle Draper says that, "having the overwhelming support of the Country Club Scottsdale members on this second phase enhancement, clearly shows the member's commitment to remain at the forefront as the premier Southwest Lifestyle Club in Scottsdale." He goes on to say that, "he views this next expansion of the Club as the next logical step by the Country Club Scottsdale to enhance its offerings with a greater commitment to meeting its mission of providing members and guests with an experience centered on fun, family and friendliness."

The expansion not only benefits the members, but the Community and homeowners within DC Ranch as well. For the Club it insures the growing needs of the members and future members, and for the residents of DC Ranch it reinforces the value of the homes and continues to separate DC Ranch from other communities.

Over the course of The Club's history the members and staff have prided themselves on creating a Club Culture known for its exceptional hospitality and welcoming atmosphere. Scottsdale Golf Club, The Country Club at DC Ranch has challenged itself to look past the conventional wisdom of Club industry in an effort to create the highest quality lifestyle experience in the market.

The ultimate goal is to maintain the extraordinary quality and service that members and their guests associate The Country Club at DC Ranch with, while providing facilities unlike anywhere else in the Valley.

The new facility will allow Scottsdale Golf Club to provide more services, programs and activities, designed for every member young or senior.

By application and approval, The Country Club will continue to offer Golf, Junior, Sports Social and Clubhouse memberships. Construction on the new facility will begin Summer of 2018.

Genuine, welcoming and warm in spirit, The Country Club at DC Ranch celebrates families and friends coming together to enjoy the best of times in a truly distinctive setting ? including golf on DC Ranch?s classic course layout, redesigned by Tom Lehman and John Fought. It is one of the most classically designed courses in the Valley ? resulting in a golf experience that is aesthetically more interesting and strategically more challenging.

Poised prominently on a knoll near the McDowell Mountains, The Country Club at DC Ranch?s stunning 45,000 square-foot Ranch Hacienda Clubhouse combines the most charming aspects of historic Arizona architecture with those of great Western resorts of the 1920?s and 30?s.
