Pensacola, FL ? Kellyco Flowers & Gifts Inc., a leading Pensacola florist, is set to equip its customers with all of the proper tools and knowledge on staying safe during the holidays. As Christmas approaches, the company has decided to reveal a few holiday safety pointers.

Staying out of trouble and staying safe during the holiday season goes hand in hand. This season like any other is one of utmost importance, so ensuring that customers and clients know the effects of their actions is a key goal for the Kellyco Flowers & Gifts Inc. team. Recently, the team has released a set of valuable tips to stave off the occurrence of an unfortunate holiday fiasco.

Kellyco Flowers & Gifts Inc. owner Michael Paris said, "It's our priority to let the people we work with know about the issues associated with holiday fun. The more they know, the better equipped they will be to enjoy Christmas and New Year's."

The Pensacola flower shop suggests playing it safe when having in-home fun. That includes keeping candles in a safe place, maintaining fireplaces, and even monitoring and unplugging electrical outlets to avoid the calamity of Christmas tree fires. When out in public, Kellyco Flowers & Gifts Inc. reminds individuals to avoid drunk driving or texting and driving and that shoplifting is always a bad idea. These tips and more will help any person in the Christmas spirit enjoy a boastful holiday season.

"We want to wish a happy holiday season to the people in our community that make what we do so worth it," Paris said. "Now let's gear up for a promising 2018!"
