

Plumber in Panama City Discusses Winter Home Maintenance Tips in Light of Christmas

December 21, 2017

December 21, 2017 -
Panama City, FL ? Mr. Rooter Plumbing of NW Florida, a leading plumber in Panama City, is set to equip its customers with all of the proper tools and knowledge on maintaining a property during the holidays. As Christmas approaches, the company has decided to reveal a few winter home maintenance tips.

Keeping a home clean and perfectly maintained go hand in hand. This season like any other is one of utmost importance, so ensuring that customers and clients know the effects of their preparation is a key goal for the Mr. Rooter Plumbing of NW Florida team. Recently, the team has released a set of valuable tips to stave off the occurrence of an unfortunate holiday fiasco.

Mr. Rooter Plumbing of NW Florida owner Scott Hobbs said, ?It?s our priority to let the people we work with know about the issues associated with home maintenance during the winter months. The more they know, the better equipped they will be to enjoy Christmas and New Year?s.?

The Panama City Plumbers suggest to watch for ice dams, eliminate draft areas, and to replace old furnace filters before Christmas approaches. Insulating garages and preventing pipes from freezing are also healthy

pointers to implement in one?s home maintenance strategy. These tips and more will help any person in the Christmas spirit enjoy a boastful holiday season.

?We want to wish a happy holiday season to the people in our community that make what we do so worth it,? Hobbs said. ?Now let?s gear up for a promising 2018!?
