

Joseph Pereira Tops Amazon Best-Seller Lists With Book on Retirement Planning

December 29, 2017

December 29, 2017 - PRESSADVANTAGE -

Miami, FL ? Joseph Pereira, founder of Legacy Planning, Inc. has topped the Amazon.com best-seller lists with his new book, *Your Retirement Made Simple*. This book brings together several retirement experts who share their years of experience in the financial industry.

The new book hit best-seller lists on Amazon.com within 24 hours of release. It was ranked #1 in the Kindle ?Financial Interest? category, #2 in the Kindle ?Taxation? category, as well as #1 in the ?Small Business Taxes? category. The book was also featured as a ?Hot New Release? and featured in a few other categories too.

Your Retirement Made Simple highlights the experience of financial experts around the country who specialize in ethically serving the individual needs of their clients through education and dedication to their work. In this edition, Joseph Pereira shares his background, stories about successful retirement planning, as well as misconceptions and pitfalls related to planning.

Joe stated, ?I'm thrilled to have our book reach the top of the Amazon Best-Seller lists. I am excited to share my experiences and thoughts about retirement planning. I hope people read *Your Retirement Made Simple* and learn from the expert advice found in the book.?

Joe Pereira supports the retirement lifestyle plans of pre-retirees and retirees with financial planning strategies that focus on growth with preservation of capital. As President of Legacy Planning, Inc. he has personally assisted hundreds of families to wisely protect their assets and pay less income tax along the way. Joe has over 30 years of accounting and planning experience. His firm is based out of Miami, Florida.
