

Real SEO Traffic Ranked As #1 SEO Company In California

January 08, 2018

January 08, 2018 -

Real SEO Traffic in Gardena, CA, is proud to announce that they have been ranked as #1 SEO services company in California in a community poll. The poll hailed the company's proven digital marketing strategies in particular, as well as their wealth of services. The company is very proud to have been recognized as such.

James Santiago from Real SEO Traffic says: "We really want to thank our customers for their continued trust and support in our work. We couldn't be where we are today with them, after all. We will continue to do all that we can to deserve this reputation."

The Calif SEO company offers search engine optimization (SEO), SEO audits, effective link building, and fantastic customer care. Those who have worked with the company have been exceedingly happy with the service that they have received. John Wales, for instance, says on the company's website: "I simply love the way you people work. I am quite impressed with Real SEO Traffic and the methodologies that this organization uses for ranking websites on major search engines. Unlike the other SEO agencies, with you I am very well assured that everything will be done accurately and in perfect order. The company always does what it promises and and is always the best in every field of website exposure."

As a result of the exposure the company has has been listed as #1 of its kind in California, and there has been an increase in demand for their services. As a result, they have also launched the Real SEO Traffic - Facebook page, which enables more people to find out what they are about and what they do, as well as to communicate directly with them.

Furthermore, the said SEO company has created a video on SEO that provides people with a snapshot overview of what SEO is, and what the company can do for their clients. James Santiago says: "We identify the right keywords, write site friendly code, and know all the right linking tactics. Let us help you to get real SEO site traffic."

Those interested can contact the company through their website or Facebook page.
