January 10, 2018 - PRESSADVANTAGE -

Stefani T Kappel MD Dermatology, operating from Newport Beach, CA, has announced that it is now possible to book appointments for any of their services online. Dr. Kappel, a board-certified dermatologist, focuses mainly on offering Botox treatments and lip injections, but also offers a variety of other treatment options. People are encouraged to book in for their free, no obligation consultation through the website.

Dr. Kappel herself says: "I am a Board Certified Dermatologist and Fellowship-Trained Mohs Surgeon in Newport Beach. My areas of expertise include cosmetic dermatology with a focus on injectable neuromodulators, as well as dermal fillers. In addition, I am highly-trained in the use of lasers and energy-based devices to provide all aspects of photorejuvenation and body contouring including fine lines, wrinkles, skin laxity, brown spots, facial vessels, cellulite and fat reduction using non-invasive technology. Please do book an appointment to discuss the options available to you."

On her website, Dr. Stefani Kappel offers numerous options for people to schedule their appointment online. She also offers a wealth of information on the procedures that can be completed and on the successes others have experienced as a result. Dr. Kappel has made it her mission to help people feel better about the

aging process, through injections and fillers where needed.

Indeed, those who have had treatment with Dr. Kappel have all been overwhelmingly positive in their descriptions of their experiences. Jasmine W., for instance, says on Health Grades: "Highly recommend Dr Kappel. She is friendly, professional and clearly has the patients best interest in mind. Her technique is impeccable and she kept me informed throughout my procedure. I felt I received a lot of quality time and had all my concerns and questions answered appropriately. Very good bedside manners and am excited to share my experience to others."

Dr. Kappel encourages everyone to explore her website to see some of her photos of her in action. Should they be interested in having any procedure for themselves, they can contact her directly or book an appointment through the clinic's website at <http://stefanikappelmd.com/> and receive a full consultation.
