January 13, 2018 -

Butler Law Firm, which is based in Houston, TX, is proud to announce that owner and founder Jim Butler is now one of only three attorneys in the entire country to be accredited by the DUIDLA to specialize in DWI cases. Butler has over 24 years of experience in this particular area of law and only takes on DWI cases. He passionately cares about the rights of his clients, treating each of them as a member of the family.

Jim Butler himself says: "I believe in giving all my clients the best possible legal advice available, and this means I must ensure that I have the necessary skills, training, and knowledge on the subject. I have been working towards DUIDLA accreditation for some time now, and now that I am accredited, as only one of three in the country, I know that I can truly provide my clients with the best possible representation."

Through the accreditation, Butler Law Firm is listed among the country's best DWI attorneys, and rightly so. The DUIDLA (DUI Defense Lawyers Association) takes membership very seriously and only accredits the best of the best. Butler himself was one of the founding members of the organization, in fact, yet he has only recently received his accreditation, which demonstrates just how stringent the requirements are. To retain his accreditation, he will also have to take part in various forms of continuous education as relevant to DWI/DUI

laws in the country and in his specific geographical area.

Those who have worked with the law firm in the past have been overwhelmingly positive about their experiences. Leina R. is the latest client to post on the firm's website: "I was found not guilty. I can only express how extremely grateful I am for Mr. Butler and Christin for everything they have done for me to help me get my life back. I truly want to thank the both of you for continuously fighting for me for so long, and I could not be any happier with the outcome and gaining my life back."

Butler Law Firm is now also listed on the Global Law Directories, as Jim Butler will serve as a role model and mentor to other DUI attorneys.
