Kordata Announces Its Participation at SSPC to Showcase Its Testing and Inspection Mobile Data Collection Platform

January 10, 2018

January 10, 2018 -
Boise, ID ? Kordata, today announced that it will participate at the Annual Conference for SSPC: The Society for Protective Coatings being held January 15-18, 2018 at the Ernest N. Morial Convention Center in New Orleans in booth 1226. They will be featuring mobile data collection demos along with discussions around mobile data collection as it relates to testing and inspection in the protective coatings industry.

Kordata will be exhibiting at SSPC to showcase innovative field mobile data collection software specifically designed to extend one?s data workflow securely and efficiently. Kordata Testing and Inspection FastStart is a field data collection software that is designed to specifically for field and laboratory information management in the construction and engineering industries. The result for Kordata's customers is increased ROI, accuracy completeness, and accountability for all data collection activity.

?Kordata is excited to be exhibiting at this year?s SSPC conference in New Orleans. Kordata has so much to contribute to the SSPC community with Kordata's robust mobile data collection solution. We are confident that Kordata will be a game changer for the industry to significantly reduce the time it takes to inspect and

report on paint projects," said Erin Hutchison, President, Kordata.

About SSPC: SSPC is one of the only industry providers focused on technical education for coatings industry professionals. The annual conference and training programs provide topics that include surface preparation, coatings, and application, project management, research, testing, and technology. Over the course of four days, attendees have the opportunity to attend over 30 technical committee meetings, interact with 140+ exhibitors as well as learn from the live demonstrations and discussion panels of the technical program which features over 100 speakers. http://www.sspc2018.com

About Kordata: Kordata is the leading platform for intelligent and secure mobile forms and flexible data collection workflow. Their patent-pending mobile solution allows for the rapid deployment of complex forms for inspections, material testing, assessments, training, surveys, asset management and tracking, equipment maintenance, healthcare records and case management. Kordata excels in helping companies deliver solutions quickly without significant investment, translating into a better user experience, increased adoption, and substantial ROI. Companies of all sizes trust Kordata with their data collection needs. For more information, visit www.kordata.com.
