January 23, 2018 - PRESSADVANTAGE -

Hire My Kubota is a newly launched tractor services provider in Temecula, CA. They will cover the entire Riverside County area, specializing in tractor work and junk removal. Their services include grading, hauling, weed abatement, land clearing, brush clearing, brush removal, brush mowing, weed clearing, weed removal, lot clearing, fire protection clearing, site clearing preparation, fire hazard clearing, yard lot cleanup, weed removal notice compliance, weed mowing, and bobcat tractor services.

Tim Miller from Hire My Kubota says: "We make it easy to hire a tractor and get the job you need finished fast. Weed removal, grading, ditch digging, plowing, trash removal, hauling, etc., we are very excited to be offering these services in Temecula and the Riverside County region as a whole and look forward to building excellent relationships with both the residential and commercial community."

The company having only recently launched is also engaging in a strong social media campaign. Hence, they have made their Facebook page go live in an effort to connect more with the community as a whole. Through the Facebook page, they are sharing information about their weed abatement and other services, as well as discussing industry relevant news and more. They want to encourage people to like their page and join in the conversation.

Although Hire My Kubota has only been open for a short period of time, they have already received numerous positive reviews. Charles N. from Murrieta, CA says on Yelp: "This is by far the hardest working crew I have ever dealt with. If you are looking to get things cleaned up at an affordable price, call the family at Hire My Kubota. They came out and looked at what we needed done and made some recommendations and amazingly enough, just like that it was done. Their work ethic is unsurpassed. Call them today and get on the schedule. You'll be glad you did."

People requiring junk removal or any of the other services offered by Hire My Kubota are encouraged to contact the company as soon as possible through their website or any of their social media pages. They will be happy to offer a free, no obligation quotation.
