Cruvina, providers of shatterproof plastic glasses, announces that customers are expressing delight with their Tritan cocktail glasses.

Co-Founder Erin Moore says, "There is such a variety of plastic drinkware to choose from nowadays. We feel that our cocktail tumblers stand out from the rest by being shatterproof and reusable. But more than that, they are elegant and wonderful to drink from.?"

Cruvina cocktail tumblers are made out of clear Tritan plastic, a high-quality, food-grade, BPA-free polymer. They are odor and scratch-resistant and have been shown to be dishwasher safe. They have been designed with anti-tipping technology and a comfort spill-guard rim. They have the classic design which is at home in both formal and informal settings, so they can be used both for fancy cocktail parties or at the end-of-summer bar-b-que. The glasses can be used for any cold drinks, from old-fashioned to water.

Customer reviews include this rave:

?Okay so I ordered these and apparently way underestimated how much I was going to love them. These are epic. You will fall in love. And you will want more. This is my first experience with Tritan plastic, and wow. These tumblers are everything you want from a whiskey tumbler, minus everything you DON'T want from a whiskey tumbler. They are sleek and thin-lipped, aesthetically-pleasing and easy to hold. Yet they are light and shatter-proof! I have a toddler and we learned the hard way to stop using glass cups basically anywhere. But now I can use these all the time, for more than just alcohol and be worry-free! I can't do these tumblers justice trying to describe the quality, but they are so nice. I actually used them when I had my parents over for dinner, and they individually commented on how nice the cups were. Okay, the best part of all? They are dishwasher safe! Can I get what what? Super happy mommy/wife/full-time cleaner-upper over here. Do yourself a favor, get these. Yay to Cruvina for making life easier.?"

The set of four Cruvina cocktail tumblers is available on Amazon for \$24.97. The set also comes with a

30-day money-back guarantee.
