Jose Aroeste Farmer's Insurance, a San Diego insurance agency, is proud to announce that they are the sponsor of the Rancho Bernardo High School (RBHS) basketball teams. They would also like to congratulate the RBHS Men's Basketball Team (the Broncos) on their victory against the Poway Titans. On Friday, January 26, 2018, the Broncos beat the Titans, 69-62, in this classic high school rivalry game.

"I have been serving San Diego and more, particularly the communities of Poway, Rancho Bernardo, Carmel Mountain, Scripps Ranch, and Mira Mesa for years, and I will put my experience to work for you as you find the perfect coverage at the best rates," says Jose Aroeste. "I want to give back to my community as well, which is why my agency now sponsors the Broncos. And their victory late last month was truly a moment to be proud of."

The Jose Aroeste Farmer's Insurance is well-known across the community for helping people find insurance that is affordable and fully fit for purpose. He finds customized solutions so that people only cover the things they need coverage for, but don't end up under-insured either. His dedication to his clients' needs is something that is apparent to all, as shown in his many reviews as well. For instance, Frank R. says on the agency's website: "After my insurance carrier increased the premiums for my policies, I shopped several insurance companies. Jose was very helpful in explaining the various insurance options available with Farmers. He and Michelle provided timely answers to my questions, and also provided me significant savings. I appreciated the professional service that I received from Jose throughout the process. I wouldn't hesitate to recommend Jose to friends and colleagues for their insurance needs."

The Rancho Bernardo basketball games are very popular in San Diego. Indeed, the Broncos are wholly representative of the area and whenever they play a game, the town comes together to support them. So far, the team has played very well in their various varsity games, both at home and away, and their support is growing in the community. Thanks to sponsorship from companies like Jose Aroeste Farmer's Insurance, they have the opportunity to get more young people in into the game.
