The Law Offices of Jerry J. Trevino, based in Corpus Christi, TX, have announced that their law firm has become a member of Law Referral Connect. This is a directory of lawyers and legal professionals that those in need of legal advice can search through. It highlights all the important details about each law firm, giving people the opportunity to find out details about each firm and what others have noted when working with them.

Jerry J Trevino himself says: "I want to make sure that people are able to find me in as many different places as possible, so that they can get proper legal representation. This is why I have also decided to become a member of Law Referral Connect. It is like a social media network for legal professionals and I look forward to connecting with more clients through here."

The firm wants to highlight the importance of seeking the right legal advice from a professional personal injury lawyer. This is one of the key reasons why they have joined Law Referral Connect, as it gives more people the opportunity to search for the best personal injury lawyer Corpus Christi has to offer. Jerry J. Trevino has 26+ years experience with personal injury and auto accident cases. He treats all his clients like they are

family and always goes above and beyond to get the compensation his clients deserve.

Those who have worked with the law firm in the past have been wholly satisfied with the services they had received. Matthew P., for instance, says on the firm's Facebook page: "Jerry Trevino is a very reputable lawyer that satisfies his clients going through a hard time financially after being injured. I definitely recommend him."

Jerry J Trevino wants to ensure that he properly represents all members of his community. With his experience and knowledge, anyone who has been involved in an accident or who has suffered a personal injury for whatever reason knows that they can contact him to get the help that they need. Through the firm's website, people can contact the firm with details of their situation, finding out whether they have a case to be made with the help of an accident attorney.
