February 01, 2018 - PRESSADVANTAGE -

Portland, Ore. - The past year has been a very successful one for the staffing agency in Portland, OR, Express Employment Professionals. Recently, two members of the staff have been honored with prestigious awards due to their exemplary service to their organization and their local community.

Hannah Israel has been awarded with the Spirit Award which is reserved for individuals that exhibit a high level of professionalism and consistently portray a positive attitude. Hannah received this award because she consistently has looked for areas of improvement and she is energized by a challenge.

Those who are awarded with this honor exemplify the meaning of personal accountability and service above self. A very special aspect of the Spirit Award is that nominations for these individuals came from individuals outside the four walls in which they work.

Express East Portland Operations Specialist Maggie McGynn shared proudly, "It was really amazing to see our office recognized for our amazing team in front of the entire organization."

The second member of the employment agency in Portland, OR, to be honored was Sara Moriarty with the 2017 Meritorious Award. The Meritorious Award honors individuals who have gone ?above and beyond? the call of duty to support, encourage and further the growth of the Stoller Group of companies. These individuals lead by example, continuously improve themselves, and lend helping hands to others.

They are consistent in their daily duties; they see beyond their defined role and identify opportunities to capitalize on. These awards are nominated by Bill Stoller, developers, partners, and managers and the individuals must have been with the company for more than five years. Eight years ago Sara started as a Front Office Coordinator, quickly moving to a Staffing Consultant and then Business Developer before embarking on the journey of franchise ownership.
