Pack & Ship Business Center Creighton is one of the official FedEx drop off locations Pensacola FL has to offer. From this location, the company provides various FedEx shipping services, including Overnight, 2 Day, Priority International, Priority Canada, Express Saver, Ground, Priority Puerto Rico, Ground Canada, Standard Overnight, Ground-Home Delivery, and Economy Puerto Rico. As a shipping and packing business, the company is proud to announce that they now also offer a full packing service, helping people choose the right FedEx service in the right way.

Thomas Armstrong, a representative from Pack & Shop Business Center Creighton, says: "For fast, reliable service at competitive rates, FedEx delivers. Creighton Business Center, a FedEx Ship Center is an officially recognized FedEx Authorized ShipCenter and as such provides convenient access to FedEx Ground, FedEx Express and FedEx International products and service. As one of the world's most-recognized brands, FedEx delivers your shipments to almost any address in the US and to millions of addresses in over 200 countries worldwide."

When it comes to shipping costs Pensacola FL drop off centers usually charge over the odds, simply

because so many people have little to no understanding of what the costs should be. Pack & Shop Business Center Creighton, by contrast, offers full transparency in terms of what their costs are and why. In so doing, they offer a fairer service that people can rely on at all times.

"Creighton Business Center, a FedEx Ship Center schedules daily FedEx pick-ups so you can be certain your shipments receive the fast and efficient service you've come to expect from the FedEx brand," adds Thomas Armstrong. "We are fully open and honest about what we charge, so you never have any nasty surprises either."

The company, which can be reached through http://www.pensacolashipping.com/, offers a wealth of other specialized shipping and packing services. These include antique, artwork, bicycle, electronics, and furniture shipping. Furthermore, they are authorized for their work not just by FedEx, but also by DHL and the US Postal Service (USPS). They also offer freight shipping and international shipping. Finally, the company offers postage stamps and can be used as a center for package receiving and package drop-offs.
