

Elevated Roofing Wins an AVA Digital Award for Website & Results

February 12, 2018

February 12, 2018 - PRESSADVANTAGE -

Elevated Roofing won a 2018 Gold Award from AVA Digital Awards for "Business to Consumer Website Transformation and Performance Results".

AVA Digital Awards is "an international competition that recognizes excellence by creative professionals responsible for the planning, concept, direction, design and production of digital communication."

Elevated Roofing is Frisco Texas' premier roofing company, specializing in commercial and residential roof repairs and replacements.

Elevated Roofing is highly regarded across the roofing industry, and now the company has been recognized for its digital communication efforts.

Through a partnership with agencies, MarketCrest and Improve & Grow, Elevated Roofing was able to transform their website to offer a better user experience and generate an unprecedented number of leads for its sales team.

In a case study submitted to AVA by the agencies, it demonstrated that a combination of marketing best practices, website optimization, plus visual and navigational website enhancements helped improve conversion rates by over 100%.
