

San Diego Insurance Agency Now Offers By Appointment Weekend Opening Hours

February 19, 2018

February 19, 2018 - PRESSADVANTAGE -

Jose Aroeste Farmer's Insurance, an agency in Poway, CA, has announced that they now take appointments for Saturday and Sunday. Those days are by appointment only, but are available to clients. Those needing to see a professional on those days are encouraged to make arrangements through the company's website.

The owner and founder of the insurance agency, Jose Aroeste, says: "I understand that people work during regular office hours and while I work those hours myself, I want to be available to those who need me, when they need me. After all, situations requiring insurance policies can happen at all points during the day as well. Not just that, but many people have work that does not have the regular 9 to 5 schedule."

The Jose Aroeste Farmers Insurance Agency has been serving the Poway community for many years. Specifically, the agency has worked with those in the Poway, Rancho Bernardo, Carmel Mountain, Scripps Ranch, and Mira Mesa areas. For Jose Aroeste, this part of the country is home and he is proud to serve his community to the best of his ability. This is also why he now offers the extended opening hours on request.

This commitment is also evident in the agency's many positive reviews. Barbara P., for instance, adds her own comment to a positive review left by a happy client on Facebook. She says: "Great customer service from Jose. Very professional and very patient with my insurance problem. He walked me right through it. I would highly recommend this company for auto insurance needs."

For Jose Aroeste, the goal is to make sure everyone in his community is able to get the right insurance for their needs, at a price they can afford. He ensures that people get personalized policies that actually offer them what they need. He says: "Too often, people end up paying for things they have no need for. I make sure that every policy is fully fit for purpose, with a focus on affordability as well. Please do contact me if you have any questions or queries about insurance."
