February 19, 2018 - PRESSADVANTAGE -

Honolulu Plastic Surgery, a clinic in Honolulu, HI, is proud to announce that they have further improved their breast augmentation procedures. They encourage everyone interested in this surgery to visit the clinic's website at <http://honoluluplasticsurgerycenter.com/> for more information and to make an appointment. The website also highlights the surgeon's commitment to ensuring they are fully up to date with the latest techniques.

Randy Wong MD from Honolulu Plastic Surgery says: "I want to focus on helping women who are unhappy with their breast size. Too often, I see that they have decreased self-confidence because of their breasts, or that they have to wear ill-fitting clothes because things just aren't right. Not only can I help them resolve this issue, I can now do so in a way that reduces recovery time as well. Please do contact me for further information."

This commitment to always use the most advanced techniques and tools is evident in all the procedures offered at the clinic. The Honolulu Plastic Surgery Center is one of the few centers in the state, for instance, to be authorized to offer Advanced SkinCeuticals. Dr. Wong explains: "The Advanced SkinCeuticals

treatments include a combination of office treatments as well as a specified at-home care regimen. The results include a visible improvement of wrinkles, fine lines and other premature aging signs as well as skin that is visibly healthier."

Dr. Randy Wong is one of the most popular plastic surgeons in Hawaii. His commitment to enhancing natural beauty in a supportive manner is highly appreciated, as is the fact that he is authorized in working with SkinCeuticals. He has been voted one of the Best Doctors since 1998 and is listed as a Real Self Top Doctor as well. Mandy H. says on the center's Facebook page: "Dr Wong is the most amazing plastic surgeon on this planet. He is a compassionate, knowledgeable, aesthetically in-tuned and conscientious man of great integrity. He truly listens to what you need and does everything within his power to achieve the look you want. He has the best bedside manner and is a genius artist and master of his craft."
