

Roofing Contractor In Baltimore Now Offers Life Time Warranty

March 22, 2018

March 22, 2018 - PRESSADVANTAGE -

Raven Home Solutions, based in Baltimore, MD, is proud to announce that their roofing systems now come with a life time warranty. The company is known as the best roofer in Baltimore, and they always work very hard at not just meeting but exceeding their customers' expectations. Offering a life time warranty was simply the next logical step in terms of their customer service.

A representative of Raven Home Solutions says: "We started our business with the aim of becoming the best roofer that Baltimore and the surrounding area has to offer. We treat each customer as if they are a member of the family. And we are always looking at ways to improve our service even more. Adding the life time guarantee is the latest of our actions to achieving that."

It is clear from the many reviews that Raven Home Solutions has received that they truly go above and beyond the call of duty. They consistently receive five star reviews from their customers on a variety of third party testimonial websites. And if ever someone isn't 100% satisfied with the service that was provided, the company will do all it can to remedy the situation.

Besides offering a life time warranty, the company also offers a wealth of other ways to improve customer service. This starts with a free, no obligation estimate. The representative adds: "We know how much money can be involved in a roofing project and we don't want people to feel on the spot about making a decision. We will never pressure people into hiring us, so we give them all the time they need to decide."

Raven Home Solutions also offers no money down financing, a money back guarantee, and up to 40% energy savings. They encourage everyone to leave them a message through their website to get a quote and see how the company can help. They are also encouraged to visit <https://foursquare.com/v/raven-home-solutions/59afe65d8d10703dbfae52d8> to take a look at previous projects that the company has completed. The representative adds: "We are proud of every piece of work that we do. Do check out what we have done for others so far."
