March 05, 2018

March 05, 2018 - PRESSADVANTAGE -

The Ihara Team - Keller Williams Honolulu, HI, has announced that they will be hosting a free 1031 Exchange seminar on March 6, 2018 at 6:00pm to 7:30pm HST. The seminar is completely free to attend but spaces are limited. Tickets are currently available and can be obtained at <https://www.eventbrite.com/e/free-1031-exchange-seminar-tickets-43038608637>.

Co-founder and co-owner of The Ihara Team, Julie Ihara, says: "This seminar is for you if you have an investment property and you are planning to sell it to obtain some profit. You will realize that there are tax consequences if you sold your investment property this year. This seminar will show you how to defer those capital gains taxes through a 1031 exchange."

The 1031 Exchange seminar will take place on Tuesday, March 6, 2018 at the American Financial Services Center at 1215 Hunakai Street, Honolulu, HI 96816. It will discuss the mechanics of successfully executing a 1031 Exchange. It will also look at current trends in the real estate market and how to improve the value of an asset. Furthermore, it will explain how to do a partial 1031 Exchange and how to create a legacy using investment properties. As shown on <http://1031exchange.pro/>, this is one of the many areas of specialization of the Ihara Team.

Julie Ihara adds: "With a 1031 exchange, you could defer all of your capital gains taxes. And if you could defer your capital gains taxes, you could improve the quality of your portfolio. This will allow you to create a legacy for your family with proper planning."

People who are interested in learning how to better manage their real estate investments are encouraged to book their place on the free 1031 exchange seminar as soon as possible. The Ihara Team runs these seminars on a regular basis, so those who miss out on the opportunity in March will have the chance to attend at a later date. Furthermore, as part of The Complete Solution (TM), other seminars are also regularly organized. People are encouraged to bookmark <http://www.hawaiiitcs.com/> for further information and to be kept up to date about the event.
