February 19, 2018 - PRESSADVANTAGE -

Honolulu, HI's popular real estate agency The Ihara Team, which is part of the Keller Williams Honolulu franchise, are proud to announce that they will be hosting a free seminar. The Wealth Building through Real Estate Seminar will be held on Tuesday, February 27, 2018 from 6:00pm until 7:30pm HST at the American Savings Financial Services Center. Tickets are available at <https://www.eventbrite.com/e/free-building-wealth-through-real-estate-seminar-tickets-41841327537>.

Co-founder and owner of the husband and wife Ihara Team, Julie Ihara, says: "Learn how to start, build, upgrade, or liquidate your real estate portfolio to build your family's wealth. This seminar will be packed with strategies and practical information that you can use immediately in today's real estate market to create generational wealth."

During the seminar, speakers will address strategies for building a passive income through real estate. They will also discuss how investors can build a portfolio and how they can upgrade it. Additionally, they will demonstrate how to use the 1031 exchange in order to create a family financial legacy. This is something that the Ihara Team is particularly focused on The Complete Solution (TM), which is designed for seniors, as shown on <http://www.hawaiiitcs.com/>.

Julie Ihara explains: "We educate our clients on how to legally defer their capital gains taxes when selling an investment property. We show how to create a legacy with your real estate so that your heirs don't fight over real estate after you die. We also introduce how a partial 1031 exchange can potentially eliminate all capital gains taxes."

Finally, the event will also show participants how to buy and flip, and how to use this to increase wealth. The event is free to attend, but tickets are limited. This will ensure that participants will be able to benefit the most from their attendance. Hence, people are encouraged to book their places as soon as possible so as not to miss out.

The seminar will also be an opportunity for people to learn more about The Complete Solution (TM) and about the overall mission of the Ihara Team, as shown on <https://www.iharateamhawaii.com/>. While their primary focus is on senior living, they go above and beyond that as well.
