

Social Media Marketing Expert Katerina Gasset Selected for LinkedIn ProFinder's Exclusive Best of 2017 List

February 24, 2018

February 24, 2018 - PRESSADVANTAGE -

Wellington, FL: Katerina Gasset, owner and founder of real estate marketing company Get It Done For Me Virtual Services, has been selected for LinkedIn ProFinder's Exclusive Best of 2017 List. Specializing in SEO and listing marketing for real estate agents and brokers, chiropractors, small business owners, entrepreneurs, retailers, and business coaches and consultants, Gasset has been given recognition as a standout professional in the field of social media marketing.

ProFinder is LinkedIn's professional services marketplace that helps companies find the best freelance or independent professionals in different areas. In order to select every year's exclusive group of standout professionals, they take into account a variety of objective criteria which include the number of recommendations per pro, along with their activity on the ProFinder platform.

Katerina Gasset has been in the real estate business for over 28 years and an entrepreneur for over 35

years. Prior to establishing Get It Done For Me Virtual Services in 2016, she has been coaching real estate agents and brokers for over 13 years. Gasset is also a sought after Speaker across the country for real estate associations like AREAA, WinDS, NAHREP, REOMAC and ActiveRain with topics focusing on online marketing domination, video domination, online branding, and reputation management.

Connie Wolff, a Realtor® from Pittsburgh PA, is delighted with her experience working with Katerina Gasset and Get It Done For Me Virtual Services, sharing: "They are absolutely brilliant. They work tirelessly on all my social media channels and produce excellent results. For the price, they cannot beat. I can't thank them enough."

Another satisfied client, Connecticut-based Realtor® Donna Bigda said, "Highly recommend that anyone who's looking to boost their rankings in Google to follow Katerina's highly effective SEO strategies. Thanks to Katerina, I was able to position myself within two weeks in 9 of 10 spots on page one of Google for a condominium complex I was farming and have also been able to dominate page 1 of Google for two other relevant keywords in my market area. Katerina rocks. Her SEO techniques work."

Get It Done For Me is a unique virtual services company. Unlike other outsourcing companies that require their clients to fit into their system, Get It Done For Me customizes their clients' tasks based on what their priorities are while at the same time offering full transparency on the status of each task. With a wide range of services such as social media marketing, real estate listing marketing, SEO, outbound lead calling and more, Get It Done For Me helps businesses through delegation so the businesses can focus on sales and scaling their companies.
