Gross & Schuster, P.A., a firm offering services to those in need of an accident attorney in Pensacola, FL, has announced that Terrence A. Gross and Charlie Schuster have jointly practiced law in the Panhandle for 80 years. They are both board certified civil trial lawyers by the Florida Bar and specialize in representing injured parties from car accidents to slip falls to dog bites. Since starting their practice, they have been able to open four offices throughout North West Florida: Pensacola, Milton, Crestview, and Ft. Walton. They look forward to many more years of providing the services to those who need to file a claim due to an accident.

Terrence A. Gross himself says: "We set up our law firm to work with clients and referring attorneys throughout the South to deliver comprehensive legal representation on a personalized basis. We have maintained this vision for many years, having grown from strength to strength. Having practiced 80 years between us feels like forever, but we're far from done yet in offering services to those in need of a Pensacola accident attorney."

Together with Terry's sons, Marcus E. Gross and Tyler A. Gross, they are currently representing several hundred individuals who have been injured due to the negligence of another. Their four offices service clients

in Escambia County from Perdido Key to Century; in Santa Rosa County from Gulf Breeze to Jay; and in Okaloosa County from Mary Esther to Niceville to Holt. Those requiring legal advice for personal injury are encouraged to peruse the firm's website. The firm is quickly growing and expanding, therefore, turning into a family operation that supports people across the state.

The lawyers have set themselves apart as the best of the best, attracting numerous positive reviews from their many happy clients. Carolyn J., for instance, says on the Better Business Bureau: "I recently was in a bad auto accident and had Mr Gross handle my case. He went beyond my expectations. His office staff are also excellent. I highly recommend them."

People who require the help of Pensacola injury lawyers because they were involved in any kind of personal injury situation are encouraged to contact Gross & Schuster, P.A. as soon as possible for further information and for a free case review. The firm also operates on a no fee if no recovery basis.
