March 09, 2018 - PRESSADVANTAGE -

In an initiative to give back to nature and the local community, 30A Local Properties coordinated with South Walton's Beach Maintenance office to launch volunteer clean-up events in the Spring and Summer of 2018.

In their first clean-up event of the season, staff and friends of 30A Local Properties, met at the Blue Mountain beach access on March 8th 2018 with a collective goal to keep the beach pristine for both visitors and locals.

"South Walton is home to some of the most beautiful beaches in the world. We want to make sure they stay that way, so we are taking our spring cleaning to the beach," said Carol Taunton, the real estate office manager and clean-up event coordinator.

30A Local Properties is a 30A real estate agency located in Grayton Beach with over 20 local agents and several broker associates who collectively provide sales, listing, legal and banking guidance.
