March 14, 2018 - PRESSADVANTAGE -

John K. Grubb and Associates, a law firm based in Houston, TX, has been rated as provider of Houston's premier divorce and family law attorney. John K. Grubb has specialized in divorce law for 47 years and caters to each of his clients as if they were members of his own family. Those interested may want to read the many reviews left by past clients about the firm's services.

John K. Grubb himself says: "My motto is 'Skill + Effort + Strategy + Wisdom = The Right Combination'. After nearly half a century in the business, I have seen it all and I like to think that I have the right skill and wisdom to create effective strategies, and I put all my efforts into doing so. It is very nice to be recognized for this."

Being a divorce and family law attorney in Houston, John K. Grubb has been very busy over the years. Again and again, he has seen people make the same mistakes, particularly in child custody battles, and he has helped to resolve them. Since the 1980s, Houston, along with a few other Texas cities, had the highest rates of divorce in the country, which was a clear demonstration of the need for lawyers with Grubb's experience. That said, Grubb has been happy to see that there has been a steady decline in the number of divorces over the years as well.

Those who have worked with John K. Grubb and Associates have been very pleased with the results they got, which is why the law firm is now rated as the best in the city when it comes to divorce and family law. Kathryn V., for instance, says on the firm's Google maps page: "Had a friend who was in need of a Divorce Lawyer in Houston, referred her to John Grubb. She told me he and his staff were the kindest to work with and everything was settled in her favor."

Other similar reviews have been left on AVVO, an independent review website specific to the legal industry. It is clear that Grubb's motto and his 100% dedication to each of his clients has paid off. He says: "While a divorce is never a happy occasion, I will do what I can to make it as painless as possible."
