July 06, 2015 - PRESSADVANTAGE -

Brooklyn, NY based Basily, a company known for creating water bottles, has achieved best seller status with its infuser water bottle on Amazon <http://www.amazon.com/Basily-Tritan-Infuser-Water-Bottle/dp/B00JW02LBK/>. Made with durable tritan plastic, the infuser water bottle is eco-friendly, leak proof and BPA-free. With a selling price of \$9.99, the infuser water bottle also comes with a recipe e-book which showcases different fruits and vegetables, perfect for fusion drinks, at <http://www.amazon.com/s?marketplaceID=ATVPDKIKX0DER&me=A9YSTIK64TUV1&merchant=A9YSTIK64TUV1&redirect=true>.

For every 2 infuser water bottles bought, the company provides a 25% discount plus free shipping. Compared to its counterparts, Basily's Infuser Water Bottle also gives value for money since it is relatively cheap, but made of high quality materials. Joseph Fisch, spokesperson of Basily said: "We know the value of health and wellness that's why we are very serious in everything we do. We're very committed in our mission and vision to create top of the line products that would benefit a lot of people, but without having the need to spend a fortune."

Available in red and blue, Basily's Infuser Water Bottle can store fluids of up to 28oz. This is also a perfect buddy for those who are trying to lose weight or simply want to avoid drinking too much carbonated and sugary drinks. The infuser water bottle is also great for those who want to detoxify and simply want to live a normal, healthy life. Now, the majority of people will no longer have an excuse not to increase their fluid intake. On top of it all, Basily's take pride in its 100% hassle-free Money-Back Guarantee for unsatisfied users.

To date, positive feedback and reviews are pouring in for Basily's Infuser Water Bottle. It currently has 4.4 out of 5 stars in the Amazon review. One satisfied customer said: "When I first purchased this item, I had high hopes. I was trying to cut down on my sugar intake, but I still loved the flavors of fruits and vegetables, especially fruit juices. This item did exactly what it promised, and for a good price. It even came with a manual on the best combinations of fruits and vegetables and I continue to use it to this day."

Not just that, but celebrity couple Sean and Catherine Lowe have also been spotted using the Basily's Infuser and have even posted photographs of themselves using them, as well as telling people that there is now a discount code available. "Water, fruit, wife, 3 things that make me happy. I'll be sipping from the Basily water bottle all summer long. Use codeLOWE5OFF for a \$5 saving."
